Built in 1864 this substantial Victorian stone built property sits in a prime sea front position where you can walk straight out of the front door onto the promenade. With unmatched open sea views from St Bartholomews church right across the bay up to Needles Eye, viewings are absolutely essential.

Newbiggin By The Sea is a highly desirable charming seaside town with great local amenities, shops, cafes, primary school and regular organised events - from bands on the Piazza, art exhibitions at the Maritime Centre to the annual kite festival. You can also enjoy paddle boarding, sea swimming groups, dolphin spotting and bird watching.

The current owners have made many improvements to the property over a period of six years whilst retaining many original features and charm. They have produced a book showing the transformation and have also retained the original deeds which are displayed in the entrance hallway.

The ground floor comprises entrance porch, hallway, lounge, dining room, breakfasting kitchen, utility area and shower room/w.c. The second floor has four bedrooms and shower room. The second floor is a master suite with roll top bath and separate en-suite shower room.

Externally to the front, a beautiful garden with lawn and patio area where you can sit and look out to sea and watch the world go by. To the rear an enclosed yard with seating area and outbuilding for storage. There is a separate two storey annex to the rear which is suitable for multiple use.
