Description

****Sold via Secure Sale online bidding. Terms & Conditions apply. Starting Bid £165,000***

Boydens are delighted to present to the market this extended three-bedroom Victorian residence, ideally positioned just off Priory Street in Colchester's vibrant city centre. The property is conveniently located within close proximity to St Botolph's Priory and Colchester Town railway station. Occupying an enviable elevated position, the home is approached via steps leading to a lawned front garden, enclosed by a low red brick wall with wrought-iron gate and railings. A solid wooden front door opens into a welcoming entrance hallway with stairs rising to the first floor. The spacious lounge features a tiled fireplace surround and built-in cupboards within the alcoves, creating an attractive focal point. A door leads through to the dining area, which benefits from a generous under-stairs storage cupboard and a further cupboard housing the boiler. This space adjoins a compact, fitted kitchen. To the rear, the extension provides a versatile additional reception room with patio doors opening onto a good-sized garden. The ground floor also offers a second bathroom and side access to the exterior. The first floor comprises two well-proportioned double bedrooms and a third smaller bedroom, ideal for use as a nursery or home office, along with a family bathroom. The property has recently been re-carpeted and redecorated throughout and presents a blank canvas, offering excellent potential for buyers to personalise and add value. Externally, there is a front lawned garden and potentially off road parking, although the curb has not been dropped. The rear garden is of a good size with a patio area.
