Description

Being Sold via Secure Sale online bidding. Terms & Conditions apply.

Bringing to market this unique property in the heart of Morley. Previously rented as a two-bedroom property for the past 10 years, this versatile home is packed full of potential. Subject to the necessary planning permissions and building regulations, it could be reconfigured, converted or transformed to suit a variety of uses, making it an exciting opportunity for investors, developers or buyers looking for a project.

From the rear yard, you enter into the spacious kitchen, which has plenty of room for a dining table. Fitted with a charming country-style kitchen, this is a welcoming space and also provides access to the basement, offering useful additional storage.

Moving through the property, you will find the staircase to your left and, straight ahead, a large reception room with an adjoining office. This part of the property was formerly used as a shop and offers incredible scope for redevelopment or reimagining into additional living accommodation, a work-from-home space or something entirely unique (subject to the necessary consents).

Climbing the first staircase, you will find a spacious living room to the right, with the house bathroom to the left. The bathroom comprises a bath with shower over, wash hand basin and WC. Also on this floor is a well-proportioned double bedroom.

A further staircase leads to the second floor, where you will find another generous double bedroom. Opposite is a fitted kitchen area, creating further flexibility depending on your intended use for the property.

Externally, the property benefits from a good-sized enclosed rear yard.

This property offers endless possibilities. Whether you choose to modernise and re-let it as an investment, reconfigure the existing layout, or undertake a more extensive renovation to create something truly special, the potential on offer is clear.

Situated in the heart of Morley, you'll have a fantastic selection of shops, cafés, bars and restaurants right on your doorstep. Morley Train Station is within easy reach, along with excellent transport links providing convenient access to Leeds City Centre and the wider West Yorkshire area. The property is also well positioned for a range of highly regarded primary and secondary schools, making it an attractive option for a variety of buyers.
