Description

This spacious three bedroom end of terrace house presents an outstanding investment opportunity, situated on a generous corner plot within a popular residential location.

Offered to the market via Secure Sale online bidding (terms and conditions apply), this property allows for immediate exchange of contracts, making it a particularly attractive proposition for buyers seeking a swift and straightforward transaction. The accommodation comprises a welcoming entrance hall leading to a bright and airy lounge, a separate dining area, and a kitchen that offers scope for reconfiguration and modernisation.

Upstairs, there are three well-proportioned bedrooms, each providing ample space for family living or for conversion into home office or guest accommodation, and a shower room. The property benefits from a detached garage and a driveway, providing secure parking and additional storage options. Previous planning approval for a detached dwelling on the plot further enhances the investment potential, offering scope for future development (subject to renewed permissions).

Requiring a programme of modernisation, the house presents a blank canvas for those wishing to update and personalise the interior to their own tastes, or for developers seeking a project with strong resale or rental prospects. Located close to local amenities, schools, and transport links, this property combines convenience with the opportunity for significant value uplift. Early to appreciate the scale of the plot, the flexibility of the accommodation, and the breadth of possibilities on offer. This is a rare chance to acquire a property with such potential in this sought-after area, whether you are an investor, developer, or a buyer looking to create a bespoke family home.
