Description

TO BE SOLD via ONLINE AUCTION. Fees apply.

Enjoying an attractive position in the picturesque Northumberland village of Wark, close to the River Tweed, 5 Cheviot View is a beautifully situated two-bedroom home with established front and rear gardens and far-reaching countryside views towards the Cheviot Hills. Combining comfortable, well-presented accommodation with a wonderful Border setting, the property offers an excellent opportunity for those looking for a permanent home, countryside retreat or second home.

The setting is undoubtedly one of the property's greatest attractions. Wark sits amongst the beautiful countryside of Northumberland and the Scottish Borders, where rolling farmland, mature woodland and the winding River Tweed create an impressive landscape. The village has a fascinating history and is associated with Wark-on-Tweed Castle, once an important medieval border fortress overlooking the Tweed. Today, the surrounding countryside offers excellent opportunities for walking, fishing and outdoor pursuits, with the changing seasons and open landscape providing a particularly attractive backdrop to village life.

Despite its rural position, Wark remains well connected to surrounding towns and villages. Nearby Cornhill-on-Tweed provides useful local facilities, while just over the Scottish border, Coldstream offers a wider selection of shops, cafés, pubs and everyday services. Local bus services, including the 34 and 34A, provide connections to destinations including Kelso, Coldstream, Duns and Wooler, offering a useful public transport link through the surrounding Northumberland and Scottish Borders. The location therefore provides an excellent base from which to enjoy the countryside and attractions on both sides of the border while retaining convenient access to everyday amenities.

The accommodation is arranged over two floors and is presented in neutral tones throughout. An entrance hallway with useful storage leads into the generously proportioned lounge, where a large window overlooks the front garden and allows plenty of natural light into the room. Built-in shelving and cupboards provide additional storage, while a wall-mounted electric fire creates a focal point.

To the rear is a modern fitted kitchen with a range of contemporary units and integrated appliances, including fridge/freezer, oven and hob. This leads into a separate utility room, providing additional storage, space for appliances and direct access to the rear garden.

Upstairs are two particularly generous double bedrooms, offering excellent proportions and built-in storage. The principal bedroom enjoys an attractive outlook towards the surrounding countryside and Cheviot Hills in the distance, while the second bedroom overlooks the established rear garden. Completing the first floor is a modern shower room with a generous shower enclosure. The landing also provides convenient loft access via a hatch with pull-down ladder.

The gardens are a particular highlight of the property. To the front, mature planting and established borders create an attractive approach to the house, while the rear garden provides a generous and beautifully established outdoor space with lawns, paved areas for outdoor seating, mature shrubs and fruit trees. A greenhouse and timber garden shed provide excellent facilities for those with an interest in gardening, together with a designated composting area.

Further practical benefits include uPVC double glazing, oil-fired central heating, fibre broadband connectivity and an EPC rating of C, making this an appealing and practical home for year-round living.

With its generous accommodation, beautiful gardens and wonderful position close to the River Tweed and Cheviot Hills, Cheviot View offers an opportunity to enjoy village life in one of Northumberland's most attractive Border locations. The property could make an excellent permanent residence or second home, while also potentially appealing to purchasers considering an investment, subject to any necessary consents and requirements.

Early viewing is highly recommended to fully appreciate the accommodation, beautiful gardens, countryside views and superb Border setting this delightful home has to offer.
