Offering generous accommodation, a substantial rear garden and excellent potential for improvement, this three-bedroom semi-detached home on Walhouse Road represents an exciting opportunity for buyers looking to modernise a property and create a home to their own taste.

The accommodation extends to approximately 1,159 sq ft and provides plenty of flexibility across two floors. On the ground floor, the property features a spacious front living room with bay window, a separate lounge/dining room overlooking the rear garden, kitchen, utility room, ground floor WC and an additional office, ideal for home working or useful storage.

Upstairs, there are three well-proportioned bedrooms together with the family bathroom.

One of the property's strongest features is the outside space. To the front, there is a generous driveway providing off-road parking, while to the rear is a particularly large and established garden, offering considerable scope for landscaping, entertaining or further improvement, subject to any necessary permissions. A range of useful outbuildings are also positioned along the garden.
