Description

A rare opportunity to acquire a four-bedroom mews house in one of North West London's most sought-after locations, offering exceptional scope for a full refurbishment project and value enhancement.

Occupying a secluded position within an exclusive gated mews of just three houses, this distinctive three-storey freehold home is offered to the market requiring complete modernisation, presenting an exciting opportunity for investors, or owner-occupiers to create a bespoke residence.

The accommodation extends over three floors and currently comprises four bedrooms, two bathrooms, a spacious reception room measuring approximately 20ft with sliding doors opening onto a full-width balcony, a separate kitchen, utility room and a private courtyard garden. The impressive principal bedroom occupies the top floor and benefits from its own private balcony, while the flexible layout offers excellent potential for reconfiguration, subject to any necessary consents.

Situated off the quiet residential Estelle Road, Hodes Row enjoys a peaceful yet highly convenient setting within the desirable Mansfield Conservation Area, moments from the open green spaces of Hampstead Heath. The property is perfectly positioned to take advantage of the area's outstanding lifestyle amenities, including the cafés, restaurants and independent shops of South End Green, Dartmouth Park, Swain's Lane and Hampstead Village.

Hampstead Heath, with its renowned bathing ponds, Parliament Hill Lido, woodland walks and panoramic views across London's skyline, is just a short stroll away, making this an exceptional location for both families and professionals alike.

Excellent transport connections are provided by Gospel Oak Overground Station, located nearby, together with Kentish Town Underground (Northern Line), Thameslink services and an extensive network of bus routes, offering easy access across Central London and beyond.

This is an increasingly rare opportunity to acquire a generously proportioned mews home in a prime Hampstead Heath location with outstanding potential to refurbish, remodel and add significant value, subject to the necessary planning permissions and building regulations.
