Description

TO BE SOLD via ONLINE AUCTION. Fees apply.

1 The Croft is a charming and deceptively spacious three bedroom semi-detached cottage, offered for sale by online auction with a starting bid of £170,000. Presented in excellent condition and ready to move into, it combines period character, including exposed beams and a wood burning stove, with a modern kitchen and shower room. With beautifully cared for gardens to the front, side and rear, the property represents excellent value for money locally.

Cornhill-on-Tweed is a historic village on the English bank of the River Tweed, directly across the border from Coldstream. For centuries it lay at the heart of the Anglo-Scottish border wars, with Cornhill Castle and later Cornhill Tower attacked several times, including before the Battle of Flodden in 1513; the battlefield lies around three miles away at Branxton. The Collingwood family held the estate until 1975 and built the well-known Collingwood Arms. St Helen's Church dates from 1840 and the Grade II* listed Cornhill House lies close by. The village today offers a peaceful setting with a well regarded village shop and hotel.

The border town of Coldstream is just over a mile away across the historic Smeaton-designed Coldstream Bridge. The only UK town to give its name to a British Army regiment, it is home to the Coldstream Guards Museum and the Hirsell Estate, with woodland walks, café and farm shop. The High Street offers independent shops, a Co-op food store, cafés, pubs, a health centre and dental surgery, together with a tennis club. Kelso is around 10 miles west, while Berwick-upon-Tweed, some 13 miles away, provides a comprehensive range of shops, leisure facilities and supermarkets including Tesco and Morrisons.

English primary schools nearby include Norham St Ceolwulf's CofE Primary School and Hugh Joicey CofE Primary School at Ford, both around three and a half miles away, with Coldstream Primary just over a mile away (subject to a cross-border placing request). Secondary education is provided at Berwick Academy, with Berwickshire High School in Duns serving the Scottish side, and independent Longridge Towers School six miles away. Healthcare is available in Coldstream, at Berwick Infirmary and at the Borders General Hospital, which has a full A&E department.

The village is extremely well connected. The A697 passes through Cornhill, linking north towards Edinburgh and south via Wooler to Morpeth and the A1, while the A698 runs east to Berwick-upon-Tweed. Berwick railway station, around 13 miles away, is on the East Coast Main Line with services to Edinburgh and Newcastle in around 45 minutes and London King's Cross in approximately three hours forty minutes, ideal for commuters and second home buyers.

Internally, the accommodation is well laid out. The ground floor comprises an entrance hall, a spacious beamed living room with wood burning stove, a well equipped kitchen, a separate dining room, rear hallway, double bedroom and shower room with WC. The first floor offers two further double bedrooms. Externally there are front, side and rear gardens, the rear mainly laid to lawn with a patio and timber garden shed.
