Pattinson Auction in connection with the Norfolk Agents are pleased to offer to the market with no onward chain this detached two bedroom bungalow which requires full modernisation but offers huge potential and a generously sized garden, positioned in a sought after village in a non estate location. The existing bungalow offers character throughout with tall ceilings and well proportioned rooms throughout and would be an ideal project or investment. There is also potential to extend the property to create additional space (STPP). Viewings are available upon request via The Norfolk Agents.

Accommodation:

The property is accessed via the front entrance porch which leads in to the lounge with a bay window to the front this room offers plenty of natural light. This leads in to the dining room, generous in size with a feature fire place. Leading off the dining room is the main bedroom positioned to the front also with a bay window and fire place. The second bedroom is also a good size. To the rear of the property is the kitchen along with the bathroom and a separate WC. To the side of the kitchen is a garden which does require attention but could be adapted to extend the kitchen (STPP).

Outside:

To the front of the property is gated access to the driveway to the front and side which leads in to the rear garden. The rear garden is generously sized with huge potential, there are currently a range of sheds/outbuildings however the garden is a blank canvas and could be an impressive space.
