Pattinson estate agents are delighted to offer a brilliant opportunity to acquire this spacious three-bedroom mid-terrace property situated in the high rental demand area of Hendon, Sunderland.

This property requires a little TLC throughout but offers excellent scope to add value, making it an ideal purchase for buy-to-let investors, builders, or families looking to put their own stamp on a home. The property also benefits from fully owned solar panels, providing excellent energy efficiency and reduced utility costs with no lease restrictions.

The ground floor layout features two bedrooms positioned at the front of the property, with a central living room acting as the heart of the home. Accessible directly off the living room is the flexible third bedroom, which has been intelligently partitioned into an office/playroom alongside a convenient disability-friendly shower room.

To the rear of the property is the kitchen, which leads through to a secondary shower room and a separate toilet.

This single-storey layout provides excellent accessibility and great flexibility for modern family living, remote working, or multi-generational households.

Externally, the property benefits from an enclosed rear yard featuring a highly desirable detached garage.

This space accommodates one car and includes a dedicated workshop area, all securely accessible via an electric roller shutter door. Situated in a popular residential pocket of Sunderland, the area boasts strong rental demand due to its close proximity to local amenities, schools, transport links, and the city centre.
