Description

Pattinson Estate Agents are delighted to bring to the market this three-bedroom terraced house, ideally situated in the popular residential area of West Allotment, Newcastle upon Tyne.

The property offers well-proportioned accommodation throughout and provides an excellent opportunity for buyers looking to create a comfortable home with the potential to add their own personal touches. The property is vacant and offered for sale with no upper chain, making it an attractive option for both homeowners and investors.

The accommodation briefly comprises a welcoming reception room, a fitted kitchen, three good-sized bedrooms and a bathroom. While the property is perfectly habitable, it would benefit from some updating and modernisation, allowing the new owner to put their own stamp on the home.

Externally, the property enjoys its own outdoor space, while a garage located within a separate garage block provides valuable additional storage and parking for one car.

Situated within this established residential area, the property is well placed for access to local amenities, schools, green spaces and excellent transport links, providing convenient connections towards Newcastle upon Tyne and the surrounding areas.

With its three bedrooms, vacant possession, no upper chain and scope for improvement, this property represents an excellent opportunity for buyers seeking a home they can make their own.

Joint Entrance Way / Parking Restriction

In accordance with the restriction contained within Paragraph 7 of the Third Schedule of the lease, parking is prohibited on the Joint Entrance Way to ensure that it remains clear, accessible and unobstructed for use by both properties.
