Set on Mayfair Road, this three bedroom semi detached home is a wonderful opportunity for a buyer looking for a property with space, practicality and plenty of future potential. Offered with no chain vendor, it presents an easier move and the chance to settle in quickly, making it especially appealing for anyone wanting to create a warm, stylish home in a well-connected setting.

Inside, the property offers a comfortable and versatile layout with two reception rooms, giving you the flexibility to shape the space around your lifestyle. Whether you would love a cosy lounge to unwind in at the end of the day, a separate dining room for hosting family and friends, or a playroom or work-from-home space, this home gives you options. The three bedrooms provide well-balanced accommodation for a growing family, visiting guests or a dedicated dressing room or study, while the bathroom serves the home conveniently.

One of the standout features here is the generous rear garden, offering a lovely outdoor space to enjoy through the seasons. It is ideal for summer entertaining, children to play, or simply relaxing with a morning coffee or an evening glass of wine. Adding even more appeal is the large summerhouse, which could be used as a home office, creative studio, play area or peaceful retreat away from the main house. This is the kind of extra space that makes day-to-day living feel easier and more enjoyable.

To the front, off road parking adds valuable convenience, while the overall setting will appeal to buyers seeking a home that balances everyday practicality with a welcoming residential feel. The property is also within walking distance to the tram stop, making commuting and getting around the city far more straightforward. It is enviably located within easy reach of Manchester Airport and Wythenshawe Hospital, and is also close by to local schools and the civic centre, making it a strong choice for both owner-occupiers and those thinking ahead about long-term convenience.

The location is another key reason to buy. Supermarkets, schools, leisure facilities and healthcare services are all close at hand, helping daily life run smoothly, while rail and tram links offer excellent connectivity for travel across the wider area. With so much nearby, this is a home that supports a busy lifestyle without compromising on comfort.

This is a property that offers far more than just three bedrooms. It gives you flexible living space, a spacious garden, a substantial outbuilding and a location that keeps you connected to everything you need. With no chain vendor and so much potential to make it your own, this Mayfair Road home is an attractive choice for any buyer looking for a smart move and a home they can truly grow into
