Description

Pattinson Estate Agents are delighted to welcome to the market this beautifully presented three-bedroom period home, which has undergone an extensive programme of updating and improvement to create a stylish property finished to an impressive standard throughout.

A great deal of care and attention to detail has gone into the refurbishment, with the property having been re-plastered throughout and the woodwork renewed, while retaining the proportions and character that make homes of this style so appealing.

The accommodation begins with an entrance hall leading through to a well-proportioned lounge and separate dining room, providing two versatile reception spaces. The kitchen has been finished with porcelain tiled flooring and leads through to a useful rear hall with additional storage. Completing the ground floor is the bathroom, fitted with a modern white suite and tiled flooring. To the first floor are three bedrooms, offering flexible accommodation suitable for families, couples or those requiring space to work from home. Externally, the property benefits from an enclosed yard to the rear with useful additional storage.

Belsay Place is well positioned for access into Newcastle City Centre, with regular bus services and convenient connections to the wider city. The area is particularly popular for its attractive period housing and proximity to the former Newcastle General Hospital site, which is undergoing significant regeneration as Newcastle University's Health Innovation Neighbourhood. The wider £500 million redevelopment is planned to incorporate new homes alongside research, health, business, education, community and leisure facilities, bringing substantial ongoing investment to this part of Newcastle's West End.

With its high standard of finish, extensive improvements and convenient location, this is a property that is ready for its next owner to move straight into. Early viewing is highly recommended to fully appreciate the quality of the accommodation and attention to detail on offer.
