Description

Two-bedroom mid-terrace property close to Grimsby town centre, ideal for first-time buyers or buy-to-let investors.

The home benefits from uPVC double glazing throughout and has undergone some improvements, while still offering good potential for further enhancement.

The accommodation briefly comprises a living room to the front and an entrance hall with uPVC double glazed door. The dining room provides a spacious second reception area, leading through to a kitchen fitted with wall and base units, electric oven, hob, extractor and tiled floor.

To the rear is an inner hall giving access to the garden, and a bathroom with bath, WC, wash basin, two uPVC windows, part-tiled walls and tiled floor.

Upstairs are two well-proportioned bedrooms, each with uPVC double glazing and electric heaters.

Outside, the property enjoys a rear garden largely laid to grass, offering scope for landscaping.

This well-located property offers plenty of potential to enhance and would make an appealing purchase for owner-occupiers or investors. Early viewing recommended.

Please note: the property does not currently have central heating.
