Description

Beautifully presented, chain-free two-bedroom Willerby Malton park home, situated within the popular Denemouth Park at Blackhall Colliery, near Hartlepool.

Dating from 2024, this impressive park home measures approximately 39ft x 12ft and was purchased by the current owner in June 2025. Having been exceptionally well cared for, the property is presented in like-new condition throughout and offers a stylish and comfortable coastal retreat, ready for its new owner to enjoy.

The accommodation provides a welcoming reception area leading into a modern, well-equipped kitchen, two comfortable bedrooms and a contemporary family shower room. The principal bedroom benefits from a useful walk-in dressing area with fitted wardrobe space, while the property comfortably accommodates up to four people.

Externally, the home enjoys both front and side decking, creating attractive outdoor areas for relaxing, entertaining or simply enjoying the surrounding coastal atmosphere. A block-paved driveway provides convenient allocated off-road parking.

One of the key attractions of Denemouth Park is that it is open throughout the year, allowing owners to enjoy the coastal setting during every season. The park is situated directly on the Durham Coast and is within easy reach of the beach, making it an appealing choice for those seeking a seaside escape.

The family-run park also offers a range of on-site facilities, including a bar, clubhouse, restaurant and children's playground, providing plenty of opportunities for relaxation and entertainment.

Another notable benefit is that the site fees are paid up to January 2027, meaning the new owner will have no immediate site fee payments to make following completion.

This modern Willerby Malton offers an excellent combination of contemporary accommodation, attractive outdoor space and a desirable coastal location. Offered chain free and ready to enjoy, it would make an ideal holiday home or coastal retreat.
