Description

Pattinson Estate Agents are pleased to welcome to the market VIA AUCTION this well-presented two-bedroom terraced house on William Street, South Moor, Stanley — a rare opportunity offering a driveway, double garage and private garden, making it an exceptionally practical find in this price range and one that is sure to appeal to first-time buyers and investors alike.

On the ground floor, the lounge provides a comfortable reception space to the front of the property, complete with a gas fire as a focal point and staircase rising to the first floor. To the rear, the kitchen/diner is a practical and well-fitted space incorporating wall and base units with roll-top worktops, a stainless steel sink, four-ring electric hob and electric oven, with a dedicated dining area and a useful cupboard housing the combi boiler; a UPVC door opens directly to the courtyard.

The first floor offers two bedrooms, the principal room to the front and the second bedroom overlooking the rear, both pleasantly proportioned. Completing the accommodation is the family bathroom, fitted with a white suite comprising WC, pedestal wash hand basin, bath and a separate shower cubicle with mains shower, finished with fully tiled walls and a chrome towel rail.

Externally, the property benefits from a private front garden with driveway, decorative border, gated access and a double garage — a genuinely rare combination for a property of this type. To the rear is a private, low-maintenance garden with gated access to the rear lane, ideal for those seeking easy outdoor space without significant upkeep.
