Description

Offered with no upward chain, this attractive two-bedroom traditional home enjoys a sought-after position within easy walking distance of Belper's vibrant town centre, excellent schools, the railway station and a wide range of local amenities.

Beautifully presented and well maintained, the accommodation includes a cosy lounge, a spacious open-plan kitchen/dining room, two double bedrooms and a family bathroom. The standout feature is the principal bedroom, which opens onto a private balcony with far-reaching countryside views—an ideal spot to enjoy your morning coffee or unwind at the end of the day.

The property also benefits from gas central heating via a Baxi combination boiler (2019), UPVC double glazing, a full electrical rewire (2019), a new front roof (2025), a new balcony roof (2024), and ground floor damp proofing (2026), offering buyers valuable peace of mind. To the rear is a pleasant garden backing onto open countryside, creating a surprisingly peaceful setting just moments from the heart of town.

An excellent opportunity for first-time buyers, downsizers or anyone seeking a character home in a highly convenient location.

We have been made aware from the seller a previous sale fell through due to damp. Since then the property has had a full damp proof course and plastered throughout the downstairs recently.
